IMEROVIGLI & OIA PHOTO TOUR

 3 HOURS

|| € 500,00

Sometimes a picture is worth a thousand words. If you do not have much time on the island and you want to spend it wisely then this tour is perfect for you. A quick 3-hour photo tour to the most popular spots of the island provides you with a wide collection of photographs leaving the island full of memories and experience.

Oia is considered to be the most picturesque village of Santorini and is the most visited spot for sunset viewing as it has the most incredible views. It is located on the northwest coast of the island and it is built on the caldera slope.

The village of Imerovigli is also known as the Balcony to the Aegean, built on the highest point of the caldera cliff about 300 meters above the sea. Its position provides a magnificent view of the famous volcano and the crystal clear waters of the Aegean. There are numerous blue domed churches and a unique panoramic view of the island. Imerovigli is also known for its romantic and relaxing vibe; its cobblestone alleys, the colourful houses and the traditional taverns form an idyllic setting in which somebody can forget their problems for a while and enjoy the moment.

What's included

- 140 professionally edited photos within 7 working days
- Professional photographer
- Visit the traditional villages of Oia and Imerovigli, masterpieces of Cycladic architecture
- Flying dress rental (12 available colours to choose) (+100€)
- Videography (+100€)
